

## RECEIVE SETBACK IN DUCKPIN RACE

Continental Beaten Three  
Straight By Shermans In  
District League.

## WINNERS GET 1,705 SET

Losers Not Likely to Make Up  
Lost Ground on Leading  
Royal Team.

Continental received the severest setback suffered by a duckpin team this season in the District League last night when the ever-scrappy Shermans won all three games of a match. Had the Continentals scored a clean sweep it would have placed them on even terms with the Royals for first place.

As the teams now stand there is little possibility of the Continentals retrieving the lost ground unless some team unexpectedly gives the Royals a sound licking. Bearing in mind the close battle the Shermans gave the Royals last season in which the latter won the District League championship on total pins, the Continentals are far from giving up hope.

**Schedule Favors Continentals.**  
In the next four weeks the Royals will oppose strong competition, while the Continentals have comparatively weak teams to face. Next Monday the Royals meet the Shermans, the come the Belmonts, Grand Central, and Westons.

While the Royals are competing with the Continentals will roll the Contenders, Garrison, Westons and Goodfellow. The Continentals have a decided advantage in the schedule. With the exception of the Shermans, none of the teams the Royals must meet are capable of giving the leaders trouble.

In trimming the Continentals the Shermans rolled a set of 1,705. They won all games by easy margins, taking the first 551 to 510, the second 567 to 509, and the final by 557 to 537.

**Patterson Is Star.**  
Patterson, of the Shermans, was the star of the match, although every member of the winning team obtained excellent scores. Patterson had counts of 119, 143, and 109 for a total of 371. Horace Elmer had the second best set of 341, starting with 96 and finishing well with 120, 135, and 135. Chapin and Lovell were the only Continentals to maintain their averages.

Aside from the Continental-Sherman match little of interest attached to last night's rolling. Patterson had the best set while Harville of Buckey's Specials in the Capital City League, accounted for the best single game of 144. Denman, of the Marines, in the Capital Hill League, was a consistent performer with games of 114, 113, and 124.
